ACKNOWLEDGEMENT

Alhamdulillahilahi rabil'alamin..

First of all, I would like to express my highest gratitude to Allah SWT who has given me time, health, blessing, power, grace, and opportunity to finish this thesis entitled "Altruistic Behavior Found in Jojo Moyes's *After You*".

I would like to thank my advisor, Dr. Tri Pramesti, M.S. who helped me when I was confused with sincere, understanding, and patience. I also thank her for guiding me from the beginning to make this thesis until the completion of this thesis.

I also would like to thank my family. My mother who always prays for me the best, always there for me and always pays attention to my health. My father who always gives me support and motivation to help me finish my thesis and my little brother who supports me wherever he is.

This thesis would not be completed without the support of my two friends who had fought with me from the beginning of the semester, Bella and Nadilla. They helped me when I was confused and down. They also always cheer me up and always there for me when I need them.

I do not forget to thank my lovely cousin, Dita and Dini, who always give me motivation so I do not give up easily. Dita is also completing her thesis, I hope that we can graduate together. And last, I would like to thank my friends from high school, Izza, Nisa and Anggun who forms a group called Ber-4. They also give me support to complete this thesis well.

ABSTRACT

This study aims to find out causes and effects of altruistic behavior that appear in the *After You* novel. This study also talks about the effects of altruistic behavior that influence the characters in the *After You* novel. This study aims to provide two points: causes of altruistic behavior and effects of altruistic behavior in *After You* written by Jojo Moyes. This study uses the psychological approach of literature as it helps to find out how altruistic behavior in the characters can have any effects on the characters too. Moyes's *After You* is used as the source of the data. In conducting the thesis, the writer uses qualitative research. Some quotations will be added to support the analysis. The results of the study is the writer finds eight causes that belongs to environmental cause of altruistic behavior. Where there are causes, there are effects. The writer also found eight effects of altruistic behavior. Altruistic behavior founded by writer gives good effects on some characters. Each character gets their happiness because of the effects caused by altruistic behavior.

Keywords: *altruistic behavior, causes of altruistic behavior, effects of altruistic behavior.*
