

CHAPTER V CONCLUSION

Some reasons that cause altruistic behavior happened. There are biological cause, neurological cause, environmental cause, social norms, and cognitive cause. From the data analysis above the writer found only one cause, that is environmental cause. In the discussion, the writer found the answer from the problem of the statement described in two sub-bab. There are causes of altruistic behavior in Moyes's After You and the effects of altruistic behavior in Moyes's After You. The writer found eight causes that appear from characters. Some causes are when Lily asks Louisa to help her drive away from the young man who is bothering her even though she just knows her, Louisa gives money to Lily even though Lily makes a mistake, Nathan gives Louisa a job, Louisa prefers to find for Lily rather than her job, Sam helps Louisa to find Lily, Louisa helps Lily to delete her disgrace photo on Mr. Garside's phone, when Louisa gives Lily to Mrs. Traynor and when Sam wants to help Louisa to forget her past and continue her life.

Besides that, the writer also finds eight effects from these causes of altruistic behavior. The effects of altruistic behavior are when Louisa brings Lily to her flat and also cares for her when she is sick, Louisa allows Lily to stay in her flat for the second time because Lily doesn't feel comfortable living in her house anymore, Louisa gets a job, Lily was founded by Sam and taken her to the hospital, Louisa and her friends have been helped Lily to delete her photo so she doesn't need to worry about Mr. Garside anymore, Camilla realized that she doesn't lost anything because Lily and life with her Grand Daughter, Lily has a new family, and Louisa finally accepts Sam and begins to forget Will,

At the end of the story, Lily is happy with her family. She lives with her Grandma, Camilla Traynor. She gets full affection from her Grandma, she also starts to school again. Louisa is happy to see Lily has changed. Louisa is also happy with her new life. She goes for a date with Sam, a man that she chooses. Altruism that contains in this novel has influenced the characters.
