2. Heal The World By Michael Jackson

1

1. There's a place in your heart
2. And I know that it is love
3. And this place could be
much
4. Brighter than tomorrow
5. And if you really try
6. You'll find there's no need to
cry
7. In this place you'll feel
8. There's no hurt or sorrow
9. There are ways to get there
10. If you care enough for the
living
11. Make a little space
12. Make a better place

2

13. Heal the world
14. Make it a better place
15. For you and for me
16. And the entire human race
17. There are people dying
18. If you care enough for the
living
19. Make it a better place
20. For you and for me

3

21. If you want to know why
22. There's love that cannot lie
23. Love is strong
24. It only cares of joyful giving

25. If we try we shall see
26. In this bliss we cannot feel
27. Fear of dread
28. We stop existing and start
living
29. The it feels that always
30. Love's enough for us
growing
31. So make a better world
32. Make a better place

4

33. Heal he world
34. Make it a better place
35. For you and for me
36. And the entire human race
37. There are people dying
38. If you care enough for the
living
39. Make a better place for you
and for me

5

40. And the dream we were
conceived in
41. Will reveal a joyful face
42. And the world we once
believed in
43. Will shine again in grace
44. Then why do we keep
strangling life

45. Wound this earth, crucify its
soul
46. Though it's plain to see
47. This world is heavenly
48. Be god's glow
49. If you cared enough for the
living
50. Make a little space
51. To make a better place
6
52. We could fly so high
53. Let our spirits never die
54. In my heart I feel you are all
my brothers
55. Create a world with no fear

56. Together we cry happy tears
57. See the nations turn their
swords into plowshares
58. We could really get there
7
59. Heal the world
60. Make it a better place
61. For you and for me
62. And the entire human race
63. There are people dying
64. If you care enough for the
living
65. Make a better place
66. for you and for me

we heed a certain call
2. When the world must come
together as one
3. There are people dying
4. And it's time to lend a hand
to life
5. The greatest gift of all

2

6. We can't go on pretending
day by day

great big family
9. And the truth, you know
10. Love is all we need

3

11. We are the world

13. We are the ones who make a
brighter day

15. There's a choice we're
making
16. We're saving our own lives
17. It's true we'll make a better
day
18. Just you and me

4

19. Send them your heart so
they'll know that someone
cares
20. And their lives will be
stronger and free
21. As God has shown us by
turning stone to bread
22. And so we all must lend a
helping hand

5

23. We are the world
24. We are the children
25. We are the ones who make a
brighter day
26. So, let's start giving
27. There's a choice we're
making
28. We're saving our own lives
29. It's true we'll make a better
day

33. But if you just believe
34. There's no way we can fall
35. Well, well, well
36. Let's realize that a change
can only come

37. When we stand together as
one

7
