## **ACKNOWLEDGEMENT**

Praises and thanks to God, the Almighty, for His blessings throughout my research, I could successfully deliver the work.

I would like to express my deep and sincere gratitude to my advisor Dr. Pininta Veronika Silalahi, for giving me the opportunity to do research and providing invaluable guidance throughout this research. She has taught me the methodology to carry out the research and to present the research works as clearly as possible. It was a great privilege and honor to work and study under his guidance. I am extremely grateful for what she has offered me. I would also like to thank her for her empathy and support. Also, my gratitude to Mateus Rudi Supsiadji, SS., M.Pd as the Dean of Cultural Science University of 17 Agustus 1945 Surabaya and several other lecturers who have supplied me with outstanding literature knowledge. There were many insightful remarks and new information that I had never gotten before, making me more open to studying any knowledge.

I am very grateful to my parents for their love, prayers, care, and sacrifice to educate and prepare me for my future. As well as understanding and endless support to complete this thesis. I would like to thank all my friends who have entertained me and never fail to give me joy every time we get together. I would like to say thanks to my friends and research colleagues. Finally, my thanks go to all the people who have supported me in completing the research work directly or indirectly.

## **ABSTRAK**

This thesis is entitled An Analysis of Language Style Used in “Too All The Boys I’ve Loved Before” Movie. The objective of study is to describe language style using movie data through an informal style which can be categorized into slang style and colloquial style, to find out the most frequently used language style in the movie. The research design is a qualitative descriptive based on Mandell and Kirsner's (1978: 217-219) theory about the types informal in the form of slang, and colloquial styles and data source are the types of data taken from the dialogue. Language is one part of human life when interacting and taking our everyday activities with other people. The language style is the variety of language used to communicate between individuals, situation and context affect the use of language style when communicating. The researcher focus on slang style and colloquial style that i found in a movie script. The author is Jenny Han, and the published is Susan Johnson. This data was published on Netflix in August 2018 in season 1 and season 2 in 2020. Then, season 3 was released in 2021. This study found that there are 22 slang style and 39 colloquial style and the characters used in the movie different language styles in different situations.
