FROZEN STYLE

No.	Data Code	Conversations	Language Style	Context/Situation
1.	FROZ1	[00:59:41 – 01:01:51] (CHRISTIAN'S BACKGROUND VOICE) The following are the terms of a binding contract between the Dominant and the Submissive. The fundamental purpose of this contract is to allow the Submissive to explore her sensuality and her limits safely. The Dominant and Submissive agree and acknowledge that all that occurs under the terms of this contract will be consensual, confidential and subject to the agreed limits and safety procedures set out in this contract. The Submissive will agree to any sexual activity deemed fit and pleasurable by the Dominant, excepting those activities outlined in Hard Limits The Submissive will not drink to excess, smoke, or take recreational drugs, or put her person into any unnecessary risk. The Submissive will not enter into sexual relations with anyone other than the Dominant. The Submissive agrees to procure oral contraception from a physician of the Dominant's choosing. The Submissive will eat regularly to maintain her health and well-being from a prescribed list of foods. Appendix Four. The Submissive will obey any instruction given by the Dominant. She will do so eagerly and without hesitation. The Submissive may not touch the Dominant without his expressed permission to do so. The Submissive shall always conduct herself in a respectful manner to the Dominant, and she'll address him only as "Sir, " "Mr. Grey...." or such other title as the Dominant may direct. The Dominant may flog, spank, whip, or corporally punish the Submissive as he sees fit, for purposes of discipline or for his personal enjoyment. The safeword "Yellow" will be used to bring to the attention of the Dominant that the Submissive is close to her limit. When the safe word "Red" is spoken, the Dominant's action will cease completely and immediately. Does the Submissive consent to being restrained with hands bound in front? Does the Submissive consent to being blindfolded? Does the Submissive consent to being gagged? How much pain is the Submissive willing to experience? (SOUND FADED AWAY)
