

APPENDIX 1
LYRICS OF THE SONGS

Song 1 *Brave* by Sara Barelies

You can be amazing
You can turn a phrase into a weapon or a drug
You can be the outcast
Or be the backlash of somebody's lack of love
Or you can start speaking up
Nothing's gonna hurt you the way that words do
And they settle 'neath your skin
Kept on the inside and no sunlight
Sometimes a shadow wins
But I wonder what would happen if you
Say what you wanna say
And let the words fall out
Honestly I wanna see you be brave
With what you want to say
And let the words fall out
Honestly I wanna see you be brave
I just wanna see you
I just wanna see you
I just wanna see you
I wanna see you be brave
I just wanna see you
I just wanna see you
I just wanna see you
I wanna see you be brave
Everybody's been there
Everybody's been stared down, by the enemy
Fallen for the fear and done some disappearing
Bow down to the mighty
Don't run, stop holding your tongue
Maybe there's a way out of the cage where you live
Maybe one of these days you can let the light in
Show me how big your brave is

Say what you wanna say
And let the words fall out
Honestly I wanna see you be brave
With what you want to say
And let the words fall out
Honestly I wanna see you be brave
Innocence, your history of silence
Won't do you any good
Did you think it would?
Let your words be anything but empty
Why don't you tell them the truth?
Say what you wanna say
And let the words fall out
Honestly I wanna see you be brave
With what you want to say
And let the words fall out
Honestly I wanna see you be brave
I just wanna see you
I just wanna see you
I just wanna see you
I wanna see you be brave
I just wanna see you
I just wanna see you
I just wanna see you
See you be brave
I just wanna see you
I just wanna see you
I just wanna see you
I just wanna see you
I just wanna see you
I just wanna see you

Song 2 *Who Says* by Selena Gomez

I wouldn't wanna be anybody else
You made me insecure
Told me I wasn't good enough
But who are you to judge
When you're a diamond in the rough
I'm sure you got some things
You'd like to change about yourself
But when it comes to me
I wouldn't want to be anybody else
I'm no beauty queen
I'm just beautiful me
You've got every right
To a beautiful life
C'mon
Who says
Who says you're not perfect
Who says you're not worth it
Who says you're the only one that's hurting
Trust me
That's the price of beauty
Who says you're not pretty
Who says you're not beautiful
Who says
It's such a funny thing
How nothing's funny when it's you
You tell 'em what you mean
But they keep whitening out the truth
It's like a work of art
That never gets to see the light
Keep you beneath the stars
Won't let you touch the sky
I'm no beauty queen
I'm just beautiful me
You've got every right
To a beautiful life
C'mon

Who says
Who says you're not perfect
Who says you're not worth it
Who says you're the only one that's hurting
Trust me
That's the price of beauty
Who says you're not pretty
Who says you're not beautiful
Who says
Who says
Who says you're not star potential
Who says you're not presidential
Who says you can't be in movies
Listen to me, listen to me
Who says you don't pass the test
Who says you can't be the best
Who said, who said
Would you tell me who said that
Yeah, oh
Who says
Who says
Who says you're not perfect
Who says you're not worth it
Who says you're the only one that's hurting
Trust me
That's the price of beauty
Who says you're not pretty
Who says you're not beautiful
Who says
Who says
Who says you're not perfect
Who says you're not worth it
Who says you're the only one that's hurting
Trust me
That's the price of beauty
Who says you're not pretty
Who says you're not beautiful

Song 3 *Firework* by Katy Perry

Do you ever feel like a plastic bag
Drifting through the wind, wanting to start again?
Do you ever feel, feel so paper thin
Like a house of cards, one blow from cavin' in?
Do you ever feel already buried deep?
Six feet under screams, but no one seems to hear a thing
Do you know that there's still a chance for you?
'Cause there's a spark in you
You just gotta ignite the light
And let it shine
Just own the night
Like the Fourth of July
'Cause baby, you're a firework
Come on, show 'em what you're worth
Make 'em go, "Oh, oh, oh"
As you shoot across the sky
Baby, you're a firework
Come on, let your colors burst
Make 'em go, "Oh, oh, oh"
You're gonna leave 'em all in awe, awe, awe
You don't have to feel like a waste of space
You're original, cannot be replaced
If you only knew what the future holds
After a hurricane comes a rainbow
Maybe a reason why all the doors are closed
So you could open one that leads you to the perfect road
Like a lightning bolt, your heart will glow
And when it's time, you'll know
You just gotta ignite the light
And let it shine
Just own the night
Like the Fourth of July
'Cause baby, you're a firework
Come on, show 'em what you're worth
Make 'em go, "Oh, oh, oh"
As you shoot across the sky

Baby, you're a firework
Come on, let your colors burst
Make 'em go, "Oh, oh, oh"
You're gonna leave 'em all in awe, awe, awe
Boom, boom, boom
Even brighter than the moon, moon, moon
It's always been inside of you, you, you
And now it's time to let it through
'Cause baby, you're a firework
Come on, show 'em what you're worth
Make 'em go, "Oh, oh, oh"
As you shoot across the sky
Baby, you're a firework
Come on, let your colors burst
Make 'em go, "Oh, oh, oh"
You're gonna leave 'em all in awe, awe, awe
Boom, boom, boom
Even brighter than the moon, moon, moon
Boom, boom, boom
Even brighter than the moon, moon, moon

Song 4 *Roar* by Katy Perry

I used to bite my tongue and hold my breath
Scared to rock the boat and make a mess
So I sat quietly, agreed politely
I guess that I forgot I had a choice
I let you push me past the breaking point
I stood for nothing, so I fell for everything
You held me down, but I got up (hey)
Already brushing off the dust
You hear my voice, you hear that sound
Like thunder, gonna shake the ground
You held me down, but I got up (hey)
Get ready 'cause I've had enough
I see it all, I see it now
I got the eye of the tiger, a fighter
Dancing through the fire
'Cause I am a champion, and you're gonna hear me roar
Louder, louder than a lion
'Cause I am a champion, and you're gonna hear me roar
You're gonna hear me roar
Now I'm floatin' like a butterfly
Stinging like a bee, I earned my stripes
I went from zero, to my own hero
You held me down, but I got up (hey)
Already brushing off the dust
You hear my voice, you hear that sound
Like thunder, gonna shake the ground
You held me down, but I got up (hey)
Get ready 'cause I've had enough
I see it all, I see it now
I got the eye of the tiger, a fighter
Dancing through the fire
'Cause I am a champion, and you're gonna hear me roar
Louder, louder than a lion
'Cause I am a champion, and you're gonna hear me roar
You're gonna hear me roar

Roar, roar, roar, roar, roar
I got the eye of the tiger, a fighter
Dancing through the fire
'Cause I am a champion, and you're gonna hear me roar
Louder, louder than a lion
'Cause I am a champion, and you're gonna hear me roar
You're gonna hear me roar
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh (you'll hear me roar)
Oh-oh-oh-oh-oh
You're gonna hear me roar

Song 5 *Love Myself* by Hailee Steinfeld

When I get chills at night, I feel it deep inside
Without you, yeah (hey!)
Know how to satisfy, keepin' that tempo right
Without you, yeah (hey!)
Pictures in my mind on replay
I'm gonna touch the pain away (hey!)
I know how to scream my own name
Scream my name
Gonna love myself, no, I don't need anybody else (hey)
Gonna love myself, no, I don't need anybody else (I love me)
Can't help myself, no, I don't need anybody else
Anytime, day or night
Gonna love myself, no, I don't need anybody else (hey)
Gonna love myself, no, I don't need anybody else (I love me)
Can't help myself, no, I don't need anybody else
Anytime that I like
(I love me)
I take it nice and slow, feeling good on my own
Without you, yeah (hey!)
Got me speaking in tongues, the beautiful it comes
Without you, yeah (hey!)
I'm gonna put my body first
And love me so hard 'til it hurts (hey!)
I know how to scream out the words
Scream the words
Gonna love myself, no, I don't need anybody else (hey)
Gonna love myself, no, I don't need anybody else (I love me)
Can't help myself, no, I don't need anybody else
Anytime, day or night
Gonna love myself, no, I don't need anybody else (hey)
Gonna love myself, no, I don't need anybody else (I love me)
Can't help myself, no, I don't need anybody else
Anytime that I like
(I love me)
Anytime that I like (I love)

Yeah, I know how to scream my own name
Scream my name

Gonna love myself, no, I don't need anybody else (hey)
Gonna love myself, no, I don't need anybody else (I love me)
Can't help myself, no, I don't need anybody else
Anytime, day or night
Gonna love myself, no, I don't need anybody else (hey)
Gonna love myself, no, I don't need anybody else (don't need nobody else)
Can't help myself, no, I don't need anybody else
Anytime that I like
(I love me) (hey)
Anytime that I like
(I love me)

Song 6 *Fight Song* by Rachel Platten

Like a small boat
On the ocean
Sending big waves
Into motion
Like how a single word
Can make a heart open
I might only have one match
But I can make an explosion
And all those things I didn't say
Wrecking balls inside my brain
I will scream them loud tonight
Can you hear my voice this time?
This is my fight song
Take back my life song
Prove I'm alright song
My power's turned on
Starting right now I'll be strong
I'll play my fight song
And I don't really care if nobody else believes
'Cause I've still got a lot of fight left in me
Losing friends and I'm chasing sleep
Everybody's worried about me
In too deep
Say I'm in too deep (in too deep)
And it's been two years I miss my home
But there's a fire burning in my bones
Still believe
Yeah, I still believe
And all those things I didn't say
Wrecking balls inside my brain
I will scream them loud tonight
Can you hear my voice this time?
This is my fight song
Take back my life song
Prove I'm alright song
My power's turned on

Starting right now I'll be strong
I'll play my fight song
And I don't really care if nobody else believes
'Cause I've still got a lot of fight left in me
A lot of fight left in me
Like a small boat
On the ocean
Sending big waves
Into motion
Like how a single word
Can make a heart open
I might only have one match
But I can make an explosion
This is my fight song
Take back my life song
Prove I'm alright song
My power's turned on
Starting right now I'll be strong (I'll be strong)
I'll play my fight song
And I don't really care if nobody else believes
'Cause I've still got a lot of fight left in me
Know I've still got a lot of fight left in me

Song 7 *I Love Me* by Demi Lovato

Flipping through all of these magazines
Telling me who I'm supposed to be
Way too good at camouflage
Can't see what I am
I just see what I'm not
I'm guilty 'bout everything that I eat
(Every single bit)
Feeling myself is a felony
Jedi level sabotage
Voices in my head make up my entourage
'Cause I'm a black belt when I'm beating up on myself
But I'm an expert at giving love to somebody else
I, me, myself and
I, don't see eye to
Eye, me, myself and
I
Oh, why do I compare myself to everyone?
And I always got my finger on the self destruct
I wonder when I love me is enough (yeah, yeah, yeah)
I wonder when I love me is enough (yeah, yeah, yeah)
Why am I always looking for a ride or die?
'Cause mine's the only heart I'm gonna have for life
After all the times I went and fucked it up
(All the times I went and fucked it up)
I wonder when I love me is enough (yeah, yeah, yeah)
I wonder when I love me is enough
I wonder when I love me is enough
Haters that live on the internet
Live in my head, should be paying rent
I'm way too good at listening
All these comments fucking up my energy
'Cause I'm a black belt when I'm beating up on myself
But I'm an expert at giving love to somebody else
I, me, myself and
I, don't see eye to

Eye, me, myself and

I

Oh, why do I compare myself to everyone?

And I always got my finger on the self destruct

I wonder when I love me is enough (yeah, yeah, yeah)

I wonder when I love me is enough (yeah, yeah, yeah)

Why am I always looking for a ride or die?

'Cause mine's the only heart I'm gonna have for life

After all the times I went and fucked it up

(All the times I went and fucked it up)

I wonder when I love me is enough (is enough)

I wonder when I love me is enough

I wonder when I love me is enough

I'm my own worst critic

Talk a whole lot of shit

But I'm a ten out of ten

Even when I forget

I-I-I-I

(I'm a ten out of ten, don't you ever forget it)

I'm my own worst critic

Talk a whole lot of shit

But I'm a ten out of ten

Even when I forget

I-I-I-I

I wonder when I love me is enough

I wonder when I love me is enough

I wonder when I love me is enough
