ABSTRACT

This thesis is discusses Obsessive Compulsive Disorder (OCD) in Jennifer Niven's *All the Bright Places*. There are two characters, -Theodore Finch and Violet Markey, teenagers who suffers from the symptoms of OCD. The purpose of this study is to reveals the symptoms of OCD experiences by the two characters, and the effect of obsessive-compulsive disorder toward them. The researcher applies qualitative descriptive method for disclosing the symptoms. The method lead the analysis of this thesis by collecting data from the novel *All the Bright Places*. The data analyses are problems experiences by the two characters. The writer of this thesis also applies the psychoanalysis approach as a literary devices to analyses. The psychoanalysis approach is uses to describes the inner quality of characters in the novel *All the Bright Places*. There are two symptoms Violent Intrusive thought and Intrusive Thought. The effect of Obsessive-compulsive disorder are Anxiety, trauma, depression and suicide. It shows that Finch suffers from OCD which is causes by his parents divorcing, which makes Finch always thinks of suicide because he always saw articles about famous figures, suicide methods, and hanging himself until this experiment is carries out repeatedly who experiences OCD. From the result of analysing it shows that Finch suffers OCD which in causes by her parents divorcing and OCD in Violet causes by experiences a car accident with Eleanor Markey. They get 2 symptoms. The effects they experiences are anxiety, trauma, depression, and suicide.

Keywords: *Obsessive, compulsive, disorder, personality, suicide*
