53	Soooo... I got the answer wrong. I am now keeping my word and posting this picture selected by Arthur Wong. I'm challenging my friends who are logical and smart thinkers, to have a crack at guessing the answer to the riddle below. When you think you know, Private message me the answer. If you are not going to follow the instructions after you lose, don't bother playing. Your turn! Read the riddle. If your answer is incorrect, I can choose any of your photos and you have to post it along with the riddle. If you answer correctly, I'll write your name in the comments (with a trophy emoji). Riddle: It's 7:00 AM. You are asleep and there is a sudden knock on the door. Behind the door are your parents who came to have breakfast. In your fridge are bread, milk (pasteurized), juice, and a jar of jam. To answer, what will you open first? * Answer directly through Private message only please. Answers in the comment section will be deleted. ** Note: It's not what you think. So far no one	2,14	1,60	13,90	social

53	Soooo... I got the answer wrong. I am now keeping my word and posting this picture selected by Arthur Wong. I'm challenging my friends who are logical and smart thinkers, to have a crack at guessing the answer to the riddle below. When you think you know, Private message me the answer. If you are not going to follow the instructions after you lose, don't bother playing. Your turn! Read the riddle. If your answer is incorrect, I can choose any of your photos and you have to post it along with the riddle. If you answer correctly, I'll write your name in the comments (with a trophy emoji). Riddle: It's 7:00 AM. You are asleep and there is a sudden knock on the door. Behind the door are your parents who came to have breakfast. In your fridge are bread, milk (pasteurized), juice, and a jar of jam. To answer, what will you open first? * Answer directly through Private message only please. Answers in the comment section will be deleted. ** Note: It's not what you think. So far no one has gotten it. Read carefully!	2,14	1,60	13,90	social
