ACKNOWLEDGEMENT

First and foremost, I express my deepest gratitude to Allah SWT for providing me with the strength, wisdom, and resilience needed to navigate the complexities of research and scholarly inquiry. Your guidance has been my anchor throughout this process. I extend my heartfelt appreciation to my advisor, Drs. Danu Wahyono, M.Hum. whose expertise, encouragement, and invaluable insights have shaped the intellectual framework of this thesis. Your mentorship has been instrumental in refining my ideas and elevating the quality of my work.

To my parents, whose unwavering support has been a source of inspiration, I extend my deepest thanks. Your belief in my capabilities and the sacrifices made on my behalf have fueled my determination to reach this academic milestone. To my longest best friend Ajeng, we've known each other for over 13 years, and yet we still maintain good communication and have each other back, we support each other throughout the years, especially at this time, and you keep believing in me.

Also to my circle of friends, Tiara, Mutia, Bulan, and Bella your camaraderie, encouragement, and shared laughter provided a welcome respite during the rigorous phases of research. Your friendship has enriched my life in countless ways, and I am grateful for the shared moments of both academic triumphs and personal growth. Special gratitude goes to my significant other. We just met a year ago, but now you understand me as who I am, thank you for your patience, motivation, and support. You've been company me all this time, especially when I need you the most. You help me check on my work, help me to correct my typos, and more. I'm so grateful to have you by my side in this situation, thank you.

ABSTRACT

The title of this study is Miles's Trauma in Colleen Hoover's *Ugly Love*. The objective of this research is to examine the trauma suffer by Miles Archer as the main character. It use qualitative method and the research design is use psychological approach as a literary approach. The study aims to explore and find the cause of the trauma, and their effects on the character, and how the character solve the trauma. The results shows that the cause of his trauma is relate to the abandonment by his first love Rachel due to the car crash that result the death of their newborn baby. He is not just devastated by Rachel's departure, but also the death of his son which make him lose both of the person he loves the most. After Rachel leave him, he promise himself not to fall in love with anyone again. The effects of his trauma also reveal that he faces difficulty and problem with relationship. The way Miles solve his trauma is by facing and accepting his fear, and learning how to manage his feelings in order to heal.
