## KUISIONER PENELITIAN

Kepada Yth,  
Bapak/Ibu/Saudara Responden

Dalam rangka untuk melakukan penelitian sebagai salah satu syarat kelulusan S1 di Universitas 17 Agustus 1945 Surabaya.

Bersama ini saya memohon kesediaan Bapak/Ibu/Saudara untuk mengisi kuisisioner penelitian dengan judul **“Pengaruh Pengetahuan Pajak dan Penerapan *E-filing* Terhadap Kepatuhan Wajib Pajak di SKPD Kecamatan Krian Kabupaten Sidoarjo Tahun 2018”**.

Informasi yang Bapak/Ibu/Saudara berikan adalah untuk kepentingan penelitian penulis dan akan dijaga kerahasiaannya.

Akhir kata saya ucapkan terima kasih atas kesediaan Bapak/Ibu/Saudara untuk meluangkan waktunya mengisi kuisisioner ini.

Hormat Saya,

**Friska Winda Hapsari**

## I. Petunjuk Pengisian

1. Kuisioner ini semata – mata untuk keperluan akademis penelitian.
2. Berilah tanda *checklist* (✓) pada profil responden.
3. Baca dan jawablah semua pernyataan secara teliti.
4. Berilah tanda *checklist* (✓) pada pilihan yang telah disediakan di dalam pernyataan daftar kuisioner.

## II. Profil Responden

1. Nama :

2. Golongan : ☐ II (a / b / c / d)\*  
☐ III (a / b / c / d)\*  
☐ IV (a / b / c / d)\*

3. Apakah penghasilan yang Anda terima dikenakan pajak?

☐ Ya ☐ Tidak

4. Pernah mencoba atau menggunakan *e-filing*?

☐ Ya ☐ Tidak

\*Lingkari salah satu

**III. Kriteria Penilaian**

| <b>Skor</b> | <b>Pilihan Jawaban</b>    |
|-------------|---------------------------|
| 4           | Sangat Setuju (SS)        |
| 3           | Setuju (S)                |
| 2           | Tidak Setuju (TS)         |
| 1           | Sangat Tidak Setuju (STS) |

## 1. Pengetahuan Pajak (X1)

| No | Pernyataan                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | SS | S | TS | STS |
|----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|---|----|-----|
| 1  | Pajak bertujuan untuk membiayai pengeluaran rutin di daerah serta untuk pembangunan nasional bahkan untuk pengembangan pendidikan dan ekonomi masyarakat.                                                                                                                                                                                                                                                                                                                                                                                                                |    |   |    |     |
| 2  | Ada 6 jenis – jenis pajak yang dibayarkan kepada negara, yaitu :<br>(a) Pajak Penghasilan, (b) Pajak Pertambahan Nilai, (c) Pajak Penjualan Barang Mewah, (d) Pajak Bumi Bangunan, (e) Pajak Hotel, (f) Pajak Restoran, (g) Pajak Hiburan.                                                                                                                                                                                                                                                                                                                               |    |   |    |     |
| 3  | Sistematika pembayaran Pajak Bumi dan Bangunan adalah sebagai berikut :<br>(a) Mendaftar dengan menyiapkan foto kopi data diri dan surat ijin yang diperlukan seperti Surat Ijin Usaha bagi WP yang memiliki usaha.<br>(b) Membayar Pajak Penghasilan secara angsuran. Wajib Pajak diwajibkan untuk mengangsur pajak yang akan terutang pada akhir tahun dengan membayar sendiri angsuran pajak tersebut setiap bulan.<br>(c) Melaporkan pembayaran atau pelunasan pajak baik yang dilakukan Wajib Pajak sendiri maupun melalui mekanisme pemotongan dan pemungutan yang |    |   |    |     |

|   |                                                                                                                                                                                                                                                       |  |  |  |  |
|---|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|--|
|   | dilakukan oleh pihak pemotong/pemungut, melaporkan harta dan kewajiban, dan pembayaran dari pemotong atau pemungut tentang pemotongan dan pemungutan pajak yang telah dilakukan.                                                                      |  |  |  |  |
| 4 | PBB merupakan Pajak Kebendaan Bumi/Bangunan yang terutang dan dipungut oleh pemerintah yang dikenakan pada pribadi atau badan yang memperoleh hasil/ pemilik tanah dan bangunan lalu didistribusikan ke daerah otonom untuk kemajuan daerah tertentu. |  |  |  |  |
| 5 | Membayar pajak sesuai ketentuan, berarti telah membantu memfasilitasi ketersediaan dan perbaikan sarana dan prasarana di Kabupaten tempat saya tinggal.                                                                                               |  |  |  |  |

2. Penerapan *E-Filing* (X2)

| No | Pernyataan                                                                                                                                        | SS | S | TS | STS |
|----|---------------------------------------------------------------------------------------------------------------------------------------------------|----|---|----|-----|
| 1  | Dengan penerapan <i>e-filing</i> , saya dapat melaporkan pajak kapan saja sesuai waktu luang yang saya miliki tanpa harus datang ke Kantor Pajak. |    |   |    |     |
| 2  | Dengan penerapan <i>e-filing</i> , saya tidak perlu mengeluarkan biaya.                                                                           |    |   |    |     |
| 3  | Dengan penerapan <i>e-filing</i> , saya tidak perlu repot menghitung dan mengecek ulang nominal pajak.                                            |    |   |    |     |
| 4  | Sistem <i>e-filing</i> dapat memudahkan saya dalam pengisian SPT.                                                                                 |    |   |    |     |
| 5  | Dengan penerapan <i>e-filing</i> , saya tidak perlu repot mencetak formulir dan dapat menghemat kertas.                                           |    |   |    |     |
| 6  | Terdapat validasi pengisian SPT di dalam sistem <i>e-filing</i> .                                                                                 |    |   |    |     |
| 7  | Dengan <i>e-filing</i> , dokumen pelengkap tidak perlu dikirim lagi kecuali diminta oleh Kantor Pajak.                                            |    |   |    |     |

### 3. Kepatuhan Wajib Pajak (Y)

| No | Pernyataan                                                                                                                                      | SS | S | TS | STS |
|----|-------------------------------------------------------------------------------------------------------------------------------------------------|----|---|----|-----|
| 1  | Saya membayar Pajak Bumi dan Bangunan sesuai ketentuan karena saya sadar bahwa hal tersebut merupakan kewajiban sebagai warga Negara Indonesia. |    |   |    |     |
| 2  | Saya membayar pajak tepat waktu dan berusaha untuk meminimalisir keterlambatan pembayaran.                                                      |    |   |    |     |
| 3  | Saya melaporkan informasi terbaru perihal kepemilikan bumi/bangunan kepada pemerintah.                                                          |    |   |    |     |
| 4  | Saya membayarkan pajak dengan harapan akan berfungsi untuk kemajuan daerah.                                                                     |    |   |    |     |
| 5  | Saya membayar pajak dengan perhitungan yang saya lakukan sendiri.                                                                               |    |   |    |     |
| 6  | Saya membayar pajak dengan teratur karena menggunakan manajemen perhitungan pajak yang saya lakukan sendiri.                                    |    |   |    |     |
| 7  | Wajib pajak sebaiknya membayar pajak tepat waktu dan melakukan perhitungan sendiri agar pemasukan daerah lebih efektif.                         |    |   |    |     |
