

LAMPIRAN

Catatan Imersi 1

Catatan dibuat pada tanggal 7 Desember 2024

Pada tanggal 13 September 2024 kanal twitch menayangkan secara live acara the international 2024. Acara tersebut merupakan salah satu kompetisi terbesar e-sports. Tayangan tersebut merupakan pembukaan main stage yang diadakan di Royal Arena Denmark. Video itu mendapatkan 4,268,942 penonton pada saat catatan ini dibuat yaitu tanggal 7 Desember 2024. Terdapat 128.696 percakapan penonton pada video pertama ini.

Saya sendiri sebagai peneliti memang sangat menggemari e-sport dota 2 ini, hampir setiap tahun the international saya menonton secara daring di twitch. Pada permulaan, acara langsung dibuka oleh host yang bernama Sheever. Penonton melalui chat daring pun banyak bereaksi mengenai suasana main stage. Ada yang mengomentari penontonnya yang banyak memenuhi pertandingan, ada yang mencari pimpinan organisasi valve yang bernama Gaben dan komentar-komentar lainnya. Kemudian host Perempuan kedua yang bernama Ephey juga menyambung pembicaraan. Untuk diketahui, host pada panel tersebut ada 4 orang. 2 Perempuan 2 Laki-laki. Pembicaraan mereka pada awal pertandingan tentunya mengenai tim-tim yang sudah lolos dari group stage pada hari-hari sebelumnya.

Para host perempuan tersebut dikomentari berbagai macam hal oleh penonton daring melalui live chat. Penonton mengomentari Sheever dengan memanggil namanya, ada yang mengirim emoji love, ada yang menyebut umurnya yaitu 40 tahun. Sedangkan Ephey lebih banyak dikomentari oleh *twitch chat*. Ephey dikenal dengan suaranya yang khas, yaitu tinggi seperti karakter anime buatan Jepang. Chat selalu memberi emoji anime saat Ephey tampil. Kemudian banyak kata-kata seperti “I love you” “cute” dan lain sebagainya.

Host menjelaskan pertandingan-pertandingan yang akan dilakukan hari ini, kemudian analisis-analisis dari tim-tim yang bertanding. Mulai dari pembukaan sampai 12 jam ke depan terdapat pertandingan-pertandingan kemudian bergantian masuk ke host sebagai penjabatan antar pertandingan. Setelah sesi pertandingan pertama terdapat sesi host ke 2, di sini penonton daring sudah mulai bertambah banyak dibandingkan sesi 1, dikarenakan sudah terjadinya pertandingan sedangkan sesi 1 masih pembukaan.

Pada sesi ketiga dan keempat pola twitch chat tidak banyak berubah. Ketika para host Perempuan ini sedang berbicara mereka merespon dengan berbagai hal yang sama. Pada sesi kelima setelah pertandingan terdapat pergantian host, kali ini ada 1 perempuan dan 3 laki-laki. Pada sesi ini twitch chat bereaksi lebih banyak pada host Perempuan yang bernama Nattea. Penonton lebih banyak mengirim emoji love dan menyukainya.

Jika dilihat dari twitch chat hari pertama menurut saya tidak ada kejadian diskriminasi yang signifikan yang dilakukan twitch chat pada host Perempuan. Saya turut senang sisi positifnya karena pihak organisasi cukup berimbang memilih host Perempuan yang senior dan yang baru. Sheever yang pada latar belakang penelitian sempat mengeluhkan terjadi diskriminasi, dia sepertinya sudah lebih profesional pada pekerjaannya sehingga penonton menanggapi dengan positif. Sheever juga mengenakan outfit yang profesional tidak memperlihatkan bagian-bagian tubuh tertentu. Sedangkan host selanjutnya bernama Ephey memang memiliki ciri unik yaitu suaranya yang tinggi. Penonton selalu mengaitkannya dengan karakter anime dari Jepang yang suaranya tinggi, chat selalu memberi emoji karakter anime terus menerus. Ketika Ephey sedang menyampaikan pendapatnya. Kemudian untuk host selanjutnya bernama Nattea juga digemari penonton ditunjukkan dengan banyak emoji love dan kata-kata pujian lainnya. Sayangnya semua bentuk positif ini bukan tertuju kepada skill mereka dalam menganalisis, menjadi host maupun yang berhubungan dengan game, penonton lebih memandang host tersebut secara fisik.

Untuk menjelaskan fenomena ini peneliti mengkritisi menggunakan *mute group theory*. Game dianggap sebagai permainan atau pekerjaan laki-laki adalah dampak dari awal teknologi seperti tidak diciptakan untuk Perempuan. Dan juga sesuai dengan salah satu asumsi yang dikatakan teori tersebut, laki-

laki merupakan gatekeeper suatu media. Sebuah organisasi ini membatasi jumlah Perempuan terlibat. Mereka juga membatasi peran mereka di spot-spot jobdest tertentu dan diatur sedemikian rupa supaya penonton tertarik.

Kita lihat seakan-akan host Perempuan yang tampil terlihat menjalankan tugasnya dengan benar dan penonton pun terlihat tertarik. Tetapi di balik itu adalah akibat dari adanya pembatasan SDM Perempuan. Para laki-laki pada acara ini bertindak lebih bebas daripada Perempuan yang bekerja lebih formal. Komentar-komentar pada kolom chat sebenarnya sudah direncanakan oleh pihak organisasi penyelenggara.

Catatan Imersi 2

Catatan dibuat pada tanggal 8 Desember 2024

Pada tanggal 14 September 2024 berlanjut acara The International 2024 yang ditayangkan live pada kanal twitch. Acara diadakan di Royal Arena Denmark. Video itu mendapatkan 4,553,702 penonton pada saat catatan ini dibuat yaitu tanggal 8 Desember 2024, sekitar 200.000 lebih banyak dari pada video sebelumnya. Hal ini tentunya wajar dikarenakan sudah mendekati babak final, penonton akan semakin banyak. Percakapan pada kolom chat terdapat 133.097 komentar.

Tidak berubah dari video sebelumnya atau hari sebelumnya, formasi host Perempuan dibuka oleh Sheever dan Ephey. Terbagi juga menjadi beberapa sesi pertandingan dan sesi host. Perilaku kolom chat juga sama, banyak emoji love Ketika para host ini berbicara, kemudian banyak emoji anime Ketika Ephey berbicara. Terdapat perbedaan pakaian yang mereka kenakan dari hari sebelumnya atau video sebelumnya. Pakaian mereka terlihat lebih santai tidak formal seperti hari pertama.

Pada sesi pertengahan tentunya host Perempuan berganti, sama dengan hari sebelumnya Nattea masuk menggantikan Sheever dan Ephey. Saat Nattea ditampilkan sekilas terdapat komentar yang ingin dia ditampilkan lagi, dikarenakan dia saat ini berpakaian agak sedikit terbuka pada bagian dada. Komentar pada kolom chatpun berfokus pada penampilannya. Beberapa chat membahas mengenai dada atau payudara Natta. Penonton juga banyak

mengirim emoji love. Hingga akhir video perilaku penonton relative sama Ketika Nattae in frame.

Pada video ke 2 kali ini, sudah terdapat objektifikasi terhadap host Perempuan. Saya merasa ini akibat dari perubahan baju yang dikenakan host Perempuan. Menurut saya tidak ada salahnya menggunakan baju seperti itu, pun ini juga industri hiburan. Bisa jadi itu memang merupakan strategi untuk menggait penonton. Tetapi jika dengan alasan untuk bisa dijual penampilannya saja, hal tersebut tentunya tidak baik. Secara profesional Nattae sebenarnya sudah cukup, dia mempunyai kemampuan game yang setara dengan lainnya ditunjukkan dengan rank dia di game.

Menurut muted group theory, karena sistem komunikasi yang patriarkal, perempuan cenderung "membungkam diri sendiri" atau menggunakan bentuk-bentuk komunikasi alternatif (misalnya, seni atau komunitas perempuan) untuk mengekspresikan realitas mereka. Hal ini menunjukkan bahwa objektivitas perempuan tidak sepenuhnya dihargai atau diakui dalam struktur komunikasi dominan.

Pada penelitian ini ditunjukkan Perempuan bukan digunakan sebagaimana mestinya dalam konteks pekerjaan profesional e-sports, seharusnya dia menjadi bagian analist atau caster pertandingan-pertandingan besar, namun ini ditempatkan di posisi-posisi yang jika di kritisi menimbulkan pertanyaan.

Jika kita melihat lebih jauh, objektifikasi ini terjadi karena pemilihan pakaian host. Entah itu kemauan sendiri atau kemauan organisasi, hal ini berdampak pada reaksi penonton. Penempatan host Perempuan ini juga memiliki pola tertentu. Dibandingkan hari pertama pakaian semua host Perempuan cenderung lebih terbuka. Organisasi bisa memanfaatkan Perempuan ini untuk menggait penonton laki-laki, karena memang mayoritas penggemar game adalah laki-laki.

Catatan Imersi 3

Catatan dibuat pada tanggal 9 Desember 2024

Video ketiga adalah hari terakhir di mana terdapat pertandingan final. Video ini mendapat kan 5,797,024 penonton dan berdurasi 10:08:28. Video ini adalah

tayangan live pertandingan the international 2024 yang diadakan di di Royal Arena Denmark pada tanggal 15 September 2024. Terdapat 178.658 percakapan pada pertandingan semifinal dan final ini.

Video terakhir adalah pertandingan semifinal dan final. Formasi host pada hari terakhir ini berbeda dengan sebelumnya yaitu Nattea sebagai host Perempuan sampai akhir acara tidak berganti. Hari terakhir pastinya penonton lebih banyak dan lebih banyak juga acara-acara gimik seperti lomba cosplay, wawancara-wawancara dengan pemain dsb. Acara dibuka oleh Nattea sebagai host dan memandu sesi panel sampai akhir acara. Perilaku chat atau komentar saat dia tampil menjadi host juga seperti biasanya, banyak yang menggunakan emoji love dan memuji dia. Kali ini host Perempuan memakai baju yang lebih tertutup dibandingkan hari kedua. Penonton juga bereaksi lebih wajar, tidak sebanyak objektifikasi pada hari ke 2.

Menurut saya dalam pertandingan final ini dilaksanakan sangat meriah dengan penonton yang memenuhi seat. Reaksi penonton online pun juga meriah karena memang yang bermain pada semifinal dan final ada tim terkuat pada musim ini. Tapi sayangnya talent Perempuan yang terlibat Cuma 1 orang saja di panel. Organisasi bisa saja menghambat peran Perempuan pada turnamen akbar ini. Jika saya lihat mulai dari acara sesi grup dimulai, ada satu Perempuan lagi yang Bernama Moxxi tidak dilibatkan sama sekali pada main stage. Biasanya dia bekerja sebagai caster atau analis pada saat pertandingan berlangsung, berbeda dengan host yang lebih terlibat di antara pertandingan 1 dan pertandingan lain.

Para talent Wanita di sini dianggap sebagai *low-power group* di mana mereka harus mengubah komunikasi untuk menampilkan dirinya. Selama the international 2024 banyak talent laki-laki yang mempunyai style-style unik. Namun sebagai talent Perempuan harus ekstra berhati-hati dalam berkomunikasi apapun. Jika berpakaian terlalu menarik perhatian atau pun terlalu biasa. Sedangkan laki-laki mereka bertingkah seenaknya dan tetap baik-baik saja selama tidak melanggar aturan organisasi. Laki-laki mudah untuk berbaur dalam dunia mereka di mana pada penelitian ini adalah e-sport. Menurut muted group theory Perempuan juga “terbungkan” karena tidak memiliki kosa kata yang cukup di mana untuk mengungkapkan pengalaman mereka.

Dapat dikatakan sebenarnya dunia e-sport merupakan lingkaran yang tidak ada hentinya membuat Perempuan tidak bisa berpartisipasi secara penuh. Mulai dari teknologi yang dirancang untuk tidak ramah Perempuan dalam kasus ini adalah game dianggap sebagai permainan laki-laki maka Perempuan kekurangan akses mengenai pengetahuan tentang game dan berdampak pada cara mereka mengkomunikasikan pembahasan game.
