ACKNOWLEDGEMENT

In this section, I would like to express my appreciation to all those who have given their support and counsel throughout the long journey to complete this thesis. First and foremost, praise and worship to my saviour Lord Jesus Christ Almighty, for His sacrifice, guidance, and boundless love to me. His words and blessing strengthen me and give me the power to finish this thesis. For that, I will be forever grateful to Him.

Second, I sincerely thank my thesis advisor, Dra. Anik Cahyaning Rahayu, M.Pd., for her unending support, helpful insights and feedback, and great patience during the entire process of writing this thesis. Her insightful guidance has become my motivation, and without her aid, this study will not finish well.

Third, I would like to thank all the lecturers and academic staff of the English Literature Department, Universitas 17 Agustus 1945 Surabaya, who have provided me with endless knowledge and scholarly discipline throughout my time of studying.

I also would like to dedicate this thesis to my wonderful family. My father, Paulce Sugito; my mother, Sri Mulyani; my brother, ABC; and my sisters, Natasha and Gladys, who have always been there throughout my journey to complete my study. Although we live in different cities, they always make sure to give me encouragement and listen to my concerns in their free time. Thank you for always praying for my well-being and looking after me in your own way. For my younger siblings, I will always pray that you will find passion and not feel confused about what you will do in the future. The love that all of you give to me makes me believe that I am able to finish this thesis.

To the friends that I make and accompany me in my college years, Erieka and Rani. I will always be grateful for giving me a unique and memorable friendship while we're together. My hope for our little group is that we stay connected in the years to come and keep making happy memories together. The last, I sincerely hope that the world and people around will always be kind and loving toward the both of you just as you two are to me and everyone.
