

Medan, 31st January 2026

Dear Author(s),

Paper ID : 7968
Paper Title : The Relationship Between Boredom Proneness and Phubbing Behavior in Adolescents
Author(s) : Putri Ningrum Afifah, Niken Titi Pratitis, Rahma Kusumandari
Email : putriningrum185@gmail.com

Congratulations! We are pleased to inform you that your manuscript referenced above has been ACCEPTED for publication in the JURNAL PSIKOLOGI PRIMA, Universitas Prima Indonesia Medan, in Volume 9, Issue 1, scheduled for publication in Mei 2026.

The manuscript has successfully passed the editorial screening and peer review process, and it will be included in our upcoming publication as listed above. This Letter of Acceptance serves as an official confirmation of acceptance, and may be used for academic or institutional purposes.

Please ensure that all publication requirements, including payment and any final corrections, are completed as per the journal's timeline.

If you have any further questions or require assistance, please do not hesitate to contact us.

Sincerely yours,

Rismadayanti
